# 2020 OGADA MISSION TRIP

APRIL 19 – APRIL 30, 2020

---

Travel with Bethlehem Baptist Church to the  
Ogada Children's Home in Kisumu, Kenya

We will spend six days in Kisumu, Kenya working at the Ogada Children's Home. We will work on specific maintenance projects, hold Bible Studies with the children, fellowship with the staff, and visit families in the village of Kisumu, giving them basic supplies and praying with them. Our visit with the Home will culminate by attending church services at the Africa Inlet Church, where Pastor Quann will preach through an interpreter.

After this mission work, we will travel to Lake Nakuru National Park to go on safari, and then on to Nairobi for souvenir shopping and departure home.
