GIVE A SPECIAL GIFT

Outfit a child with new clothes this Christmas

Hope changes everything!
Chariots for Hope is thrilled to bring you this special gift giving opportunity.

Children everywhere love receiving gifts at Christmas, and the 98 children being loved and cared for at the Ogada Children's Home are no exception! Once again this year we would love to provide each child with a brand new outfit—something tailored especially for them that they can enjoy all year. For the girls, this may be a skirt and sweater or a new dress. For the boys, a shirt and pants or a new suit. This new outfit is much more than just something new to wear, it is a gift that gives hope!

Give a Kenyan outfit to a child for just \$25
Provide additional children with this gift for \$25 each

Stop by the Ogada table after services to give us your donation and the name of the child you sponsor. If you don't sponsor a child, you can still make a donation.

You can drop off a Christmas Card in the Mailbox at the Ogada Table. December 22nd is the last day to drop off your card. We will give all cards to Chariots for Hope to deliver to our Ogada children.

Please send your gift by Dec. 15
