Blackbaud MobileMission FAQs and Detailed Steps

What is MobileMission?

MobileMission is our church giving app, which is powered by our church management technology provider, Blackbaud. MobileMission allows you to give tithes, offerings, and other gifts from your checking account, a debit or credit card, ApplePay, Visa Checkout, or Masterpass.

How do I get started with MobileMission?

Simply go to the Apple App Store or Google Play Store on your mobile device, search for “MobileMission,” and then download the app. From the app, you’re prompted to create a login and find your church.

Why do I need to sign in to give using MobileMission?

When you create a login, your contact information is saved for the next time you make a gift.

To make repeated giving quick and easy, you have the option to securely save payment information to avoid entering your credit or debit card numbers each time you give through the app.

By signing in with an account, it’s easier for your church to track your offering in their church management system

What is a Blackbaud ID?

If you have a Google account, you can use those credentials to log into MobileMission. If you have a different type of email account, you can use it to create a Blackbaud ID to log in. **Please use the email address we already have on file for you in the church office.**

Will I receive a confirmation receipt when I give using MobileMission?

Yes! You will receive an email confirmation receipt whenever you make a gift via MobileMission.

Is MobileMission secure?

Yes! MobileMission is an extremely secure way of giving. No credit card information is stored on your mobile device – instead it’s stored on servers where the information is encrypted and protected. If you lose your mobile device, no gifts can be made in MobileMission without your passcode or fingerprint.

Who do I talk to if I have additional questions about MobileMission?

Contact the church office at 215-643-4977, or email us at technology@bbc4christ.org, and we would be glad to answer any additional questions.
