Message from the Pastor

Once again, I am writing to insure to all our members that we will not move hastily regarding our coming back into the sanctuary for worship services. Notice that I was careful to not say that the doors of the church are closed, because we are not closed. Every day the work of the Lord is taking place at Bethlehem. The Pantry Ministry, Gifted to Serve Ministry, and our care for our members through sickness and death are vital in the work of the Kingdom.

We are blessed to livestream our Sunday services as well as homegoing services. We will follow the guidelines of the CDC as well as listening to God so that the welfare of God's people is always primary. Thank you to those who have responded to our survey. We will look at it carefully along with making precautionary steps to ensure that when we do gather for worship we will know that the decision will be one that we have prayed about, thought about and planned for.

Thank you for your constant prayers and support and for your online giving and the tithes and offering you have sent to or brought to the church. We are blessed with a wonderful congregation and we will continue to have the welfare of all our worshippers to the heart of the work God has called us to do. I offer my gratitude and thanks to God for the wonderful people that God has called me to shepherd.

Peace and Love,

Reverend Charles W. Quann, Pastor
