

Message to Pastor

Dear Reverend Quann,

The Sisterhood of Congregation Beth Or is sending you this donation in love and support in the ongoing fight against racial injustice. Please allocate this in a way that you feel best meets the needs within your community.

We have listened and will continue to fight against the statements and actions that cause the loss of dignity, safety, and sadly human life in the African American community.

We deeply value the bond of friendship that have grown between our congregation over the years. We will continue to pray, kneel and stand, and march with you in solidarity with our extended faith-based family.

Lois Lamberskv
 President of Congregation Beth Or Sisterhood

2020 Census Form

If you have not completed your 2020 Census Form, please do so. It can be done online or by mail. It is crucial that we all submit this form, for the census data determines how money and other public services will be allotted to our various communities.

Addition to Church Constitution

On Thursday, June 11, 2020, the Joint Ministry unanimously approved an addition to the Constitution for the position of Assistant Pastor. The Constitution will read as follows: "The position of Assistant Pastor will assist the pastor in carrying out pastoral responsibilities. The role and responsibilities as the spiritual leader will be overseen by the senior pastor."

Position of Assistant Pastor

On Thursday, June 11, 2020, the Joint Ministry unanimously approved that our Youth Pastor, Reverend Sean Tripline, serve as our Assistant Pastor. His responsibilities will be under the direction of the pastor, and they will include our Youth, Millennials and Generation Z, as well as carrying out other pastoral responsibilities that will be defined by the pastor.

This addition to the Constitution will require a vote from the congregation to affirm the role of Assistant Pastor. The Church Conference will take place on Tuesday, September 15, 2020. If we are still dealing with the coronavirus and not able to attend in person, members will be given an opportunity to vote online as well as mail-in ballots. This is a historic move for Bethlehem. I ask you to keep our church in your prayers.
