

## SEND YOUR GREETINGS TO OGADA

Due to the current Covid-19 reality, Chariots for Hope recognizes the need to change their traditional method of hand-carrying packages and letters over to Kenya since they're not able to travel for the foreseeable future (their next trip may not be until 2021!). They will still deliver our gifts when they go, but in the interim, remember:

**Relationships with our Ogada sons and daughters are very important.  
They would love to hear from us; here are some options:**

### Three (3) MESSAGE OPTIONS:

- ⇒ A video message.
- ⇒ An audio message.
- ⇒ An email note with up to 2 photos

### THE DETAILS:

Email your message to Chariots for Hope at [sponsorship@chariotsforhope.org](mailto:sponsorship@chariotsforhope.org)

- It is VERY important that your video or audio message be LESS THAN 30 SECONDS in length, otherwise it will be very difficult to download in Kenya.
- You are welcome to include a written email message with the video or audio file.
- Email subject line should include your sponsor child's name and unique I.D. code (or, if you are not a sponsor, just put Ogada Children's home in the subject line).

**DEADLINE: Friday, July 31, 2020**

**QUESTIONS or NEED ASSISTANCE:** [heartandhand@bbc4christ.org](mailto:heartandhand@bbc4christ.org), or call (610) 272—6816 (Bev Goldston)
