

2023 B.A.M. Blessings Are Mounting Pledge Form

The objective of the “**Blessings Are Mounting**” campaign is to increase BBC’s support of mission activities and events that serve our communities. Our goal for 2023 is \$150,000. Today, we pray that every member will make a pledge, over and above your tithes and offerings, remembering, “it is not equal giving, but equal sacrifice.” You may make your commitment in one contribution, monthly, or weekly, however you prefer. It is our fervent prayer that as we honor God through this BAM Initiative, we will acknowledge God as the giver of every good and perfect gift.
